

HUE RURAL LIFE

Get an insight into Hue rural life through stories, stops and visits.

7:30am Jump on the back of a vintage vespa scooter and work your way through Hue countryside roads, visiting lively village markets, family temples, getting an insider's view of a local family.

Before the tour ends, don't miss the Thanh Toan tile-roofed Bridge, built in 16th century, which is a historic and cultural credit to the community and the Farming Tools Museum.
